Speedometer Reset Form

Oil Change Records, MTO plate renewal, or Service Receipts Should Be Attached to This Form as Necessary.

The Customer's signature appearing below, requests that **CANADA SPEEDOMETER INC.** perform service work on an odometer of a motor vehicle. Provincial, State and Federal Laws specifically prohibit the tampering of any vehicle's odometer so that it does not indicate actual mileage.

The Customer accepts by signing this contract the legal responsibility for installing an odometer in the Customer's vehicle and acknowledges that it is a Provincial, Federal and State crime to knowingly install an odometer with mileage that differs from the actual mileage of the vehicle. There are situations where it is impossible to accurately determine the actual mileage of a vehicle, and instead, **CANADA SPEEDOMETER INC.** must rely on other documentation as to actual mileage provided by the Customer in order to accurately set the odometer.

The Customer Agrees to the Following...

1) The Customer represents and warrants to the best of their knowledge, or best estimate based on service records and miles driven that the actual mileage on this :
Year: _____ Make: _____
Model _____
With Vehicle Identification Number "VIN": _____
as of this Date _____
Should Have A Mileage Of: _____
Reason for Mileage Change (Jump Start, Lightning Damage, Physical Damage, Inoperative Etc.) _____

2) The Customer agrees **CANADA SPEEDOMETER INC.** shall be held harmless and agrees to indemnify its employees, representatives, officers, agents and assigns from any and all claims, actions, cause of actions, demands, rights, damages and attorney fees relating to or arising out of **CANADA SPEEDOMETER INC.** work on the odometer.
